Partner Sourcing
Quality of partners matched against your ICP

Discover your first partners
Once you've defined your ICP, Airstride scores potential partners as Gold, Silver, or Bronze based on overlap with your ideal customer.

Source partners

Account Mapping
Find shared accounts and new opportunities with your partners.

No accounts mapped yet
Find revenue overlap by mapping your accounts against partner customer lists

Map accounts

Knowledge Bank

Help partners sell without waiting on you
Add your product info, referral terms, and positioning guidance. Partners get instant answers from an AI Agent trained on your knowledge - so they stop emailing you before every call.

~ 3 min setup

Answers 24/7 in Slack or Web
