GETTING STARTED

Welcome, Toba

Let's get your partner program up and running. Here's your setup checklist.

0/5

Set Up your Knowledge Bank

Give partners a self-serve resource hub so they can answer their own questions about your product and program

Connect your CRM

Sync your pipeline data to power account mapping, deal registration and partner intelligence.

Define your ICPs

Set your ideal customer profiles so Airstride surfaces the right partner opportunities

Invite your team

Bring in your partnerships team to collaborate on deals, mappings and co-sell plans.

Connect Slack

Get deal approvals, partner notifications and activity alerts right in your workspace.

Skip setup and go to Dashboard >
